NEWMAC BUSINESS MEETING 15th August 1982-Pecos National Monument NM

9:00 am- to ?

The organizers of the Pecos Conference have agreed to allow a NEWMAC representative to summarize the status of NEWMAC on Saturday Morning at the Pecos Conference. We have also been granted permission by the Monument Superintendent to utilize the tent facilities at the monument on Sunday 15 August 1982. Proposed agenda:

1. Old Business, (Treasurer's Report, Native American Handbook Status, Historic Preservation Handbook Status, Committee Reports)
2. Discussion: Can NEWMAC Afford to be an Advocate for Conservation?

Note: NEWMAC needs matching time to complete this year's projects. There have been objections to holding a business meeting on Sunday, particularly when everyone is hung-over, and conventioned out, but it is the opinion of some that there may be an organizational crisis? Please try to attend.

MEMBERSHIP NOTE

If you have paid your NEWMAC dues for 1982 you should notice a code above your name on the mailing label on this edition of NEWSMAC: M= \$10.00 1982 Membership fee, S= \$15.00 1982 Supporting Membership fee, I= \$25.00 1982 Institutional Membership Fee, W= indicates that we have record that you have attended a workshop in NEWMAC's 1982 Workshop series but have not joined the organization. E= non-paying organizational information exchange member. The numbers following these codes indicate the month and year you paid your dues or Workshop Registration. Remember dues are payable for the calendar year. If you have not paid your 1982 dues yet, use the attached addressed postcard.

SOUTHEAST NEW MEXICO CULTURAL RESOURCES MANAGEMENT SYMPOSIUM 1982

Anyone who would like to help organize the Southeast New Mexico CR Workshop, or who has any suggestions for the workshop should contact Dr. Colleen Beck, Agency for Conservation Archeology, ENMU, Portales, NM 88138, Phone 505-562-2254. Dr. Beck has agreed to be Program Chairperson for this symposium. Papers, are welcome. Please send*abstracts to Dr. Beck as soon as possible.

SAN JUAN BASIN CULTURAL RESOURCES MANAGEMENT SYMPOSIUM May 1982

The San Juan Basin Symposium was a rousing success in information exchange. Anyone who has not yet provided his or her paper for publication in the Newsletter/Proceedings should send in his or her paper or Abstract immediately to Catherine Aves,

Editor P.O. Box 4301, Albuquerque, NM 87196. Cathy is looking for a new editor for 1983. She claims that she will not be bullied into keeping the job another year. It is clear that everyone will be afraid to try to follow up on Cathy's excellent editorial job (which is why many of NEWMAC's 250 members belong to the organization). Cathy is serious about not being editor another year. If we do not find another editor, we may find we have no organization at all.

TIMESHEETS: ENCLOSED

If you donate time or money to NEWMAC keep track on the enclosed timesheet. Send in your contributions as you make them or at the end of each month or two. Don't forget to send it in or bring it to meetings.

To Friends of Albert H. Schroeder:

The Archaeological Society of New Mexico is planning another in its series of papers, this time in honor of Al Schroeder, to be issued for the 1984 spring meeting.

We invite Al's friends to contribute an article to this publication, tentatively titled, Contributions to Southwestern Culture History. This title accurately reflects the broad range of Al's interests and publications -- covering archaeology (prehistoric and historic), ethnology, ethnohistory, history, and related fields such as geography, ecology, linguistics, botany, and zoology.

Please let me know within a few weeks, no later than the end of January of 1983, if you will be a contributor and, if so, include a title for your planned article.

Manuscripts should be submitted to me by the end of May, 1983; they will be edited and returned to you for a final check before the typist puts them in final form during the autumn months of 1983.

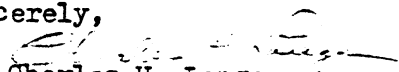

Please follow the manuscript guidelines enclosed herein when typing your final copy for submittal to the Society.

We plan to arrange an overrun so as to provide you with 25 copies of your article at a minimum cost, in addition to which you will receive a copy of the publication. Also, we will arrange an author's discount for additional purchases.

Al's years with the National Park Service and subsequently since his retirement from NPS have seen an impressive series of contributions in publications, research, and service in the interpretation of the culture history of the American Southwest. We look forward to a positive response from you and anticipate an appropriate tribute to Al.

Such schemes as this invariably become known to the honoree in the course of planning and preparations. Ideally (and perhaps naively!), it is hoped that this particular effort can remain unknown to Al until the volume's actual appearance and presentation! Most often, the only person fooled into this illusion is the editor and contributors; nonetheless, it seems it would be worth the try on everyone's part. In any case, your cooperation in this endeavor will be greatly appreciated.

Sincerely,

Charles H. Lange

GIFT MEMBERSHIPS

Why not purchase your archeological friends (or enemies?) a membership in IMAC for 1983? It is an ideal (?) New Years or Solstice present? The Handbooks would also make a fine gift (see below).

IS REGIONAL STEWARDSHIP WORKING?

Your Regional Correspondents (RCs) have been sent a second draft of PROPOSED AMENDMENTS TO THE PROGRAMATIC MEMORANDUM OF AGREEMENT FOR THE COAL MANAGEMENT PROGRAM." It cost IMAC approximately \$100.00 to distribute 25 copies of this document. Several RC's were able to generate comments within a very short time. This speaks well of our interest and concern over regulatory changes. RCs are being sent concurrently with this NEWSMAC the following information items which may be of interest to the membership:

- 1) Society for Archaeological Sciences Newsletter
- 2) COPA Communique 5(2)
- 3) Action Alert on UNESCO Convention on Cultural Property Implementation Act (S.1723 now before the US Senate).
- 4) Archaeological Institute of America (Archaeology Magazine) request for information on archeological sites and excavations open for public visitation in 1983.

INCREASING COMMERCIAL VANDALISM IN WEST CENTRAL NEW MEXICO?

Another "Tularosa Phase" site in the vicinity of Apache Creek is documented to have been vandalized with mechanical equipment (a backhoe) during November. The vandalized portion of the site is on private lands but the site is partially on Gila National Forest lands. Several human burials may have been disturbed. What is IMAC doing about this type of activity? Can we document these occurrences elsewhere? Do pothunters have access to a tool that archeologists don't have: ORGANIZATION? Are there currently archeologists that can do anything effective to protect and encourage conservation of archeological resources on private lands in such cases? Or do we have to stand and watch?

COST OF SCHOLARSHIP?

Did you know that consulting historians in New Mexico charge between \$25 and \$35 per hour for professional services?

COST OF MEMBERSHIP

Currently 63 individuals and seven institutions have paid 1983 IMAC membership dues. The list of members will be purged of non-payers on the 31 December 1982.

REORGANIZATION OF THE AMERICAN ANTHROPOLOGICAL ASSOCIATION

The October and November 1982 Anthropology Newsletters contain information and discussion of the proposed reorganization of the AAA and affiliated (under the umbrella) organizations. Does this concern IMAC?

ONLY SMALL BUSINESSES?

Anyone who is concerned over Federal Agency interpretation of procurement regulation on small business set asides may wish to consult the October 1982 Anthropology Newsletter (Volume 23 #7 page 16).

"IMAC NEWSLETTER AND NEWSMAC"

Do you want an information bulletin produced and distributed every two months or so (NEWSMAC) and the more elegant publication of article length materials and workshop proceedings (IMAC NEWSLETTER)? If you want both, either or neither let us know. We need more voluntarism to do any or all!

PUBLICATION OF THE AMERICAN INDIAN HANDBOOK and THE HISTORIC PRESERVATION HANDBOOK

For those of you who have been waiting--THEY ARE NOW AVAILABLE. Only 250 copies of each were printed so order now on the attached order blank

The executive committee has decided to distribute one copy of each Handbook free to UMAC Institutional Members that paid either 1982 and/or 1983 memberships. (These organizations deserve some expression of the help that their support provides). Also organizations and libraries that send exchange information and publications to UMAC will be distributed copies of the Handbooks at no charge.

UMAC individual Members for 1982 or 1983 (Paid members) may purchase Handbook for the cost of postage and handling, with a \$1.00 discount if both handbooks are ordered at one time (Paid in advance: \$14.00).

Non-UMAC members would do well to join UMAC because there will be a two dollar additional donation for the American Indian Handbook and a three dollar additional donation for the Historic Preservation Handbook. No Discounts.

| | Members (at cost) | Non-Members (donation) | Institutional/ Exchange Members |
|-----------------------------------|----------------------|---------------------------|------------------------------------|
| American Indian Handbook | \$6.00 | \$3.00 | |
| Historic Preservation Handbook | \$9.00 | \$12.00 | |
| Both | \$14.00 | \$20.00 | Free |

USE THE ATTACHED MAIL ORDER FORM

1983 UMAC ELECTIONS

Individuals who have paid UMAC dues for 1982 or for 1983 will find enclosed an envelope with their most recent dues paying year coded on the mailing label in the return address position. Please mark the attached ballot as you choose and are instructed, place it in the pre-addressed envelope, seal the envelope and place a stamp on it, and drop it in the mailbox. Comprendo?

Individuals who have not paid dues for 1983 should do so immediately, or this may be the last mailing you receive.

Individuals who have not paid 1982 or 1983 dues, and who still appear on the mailing list may vote if payment of 1983 dues accompanies your ballot. But do not place your check in the envelope with your ballot! Place your ballot envelope with your name and address clearly marked in the return address position, inside another envelope which contains your 1983 dues payment. Your ability to obtain handbooks at the reduced member costs may depend on payment of dues at this time.

The nominations committee has had to work very hard to obtain a full slate of candidates, even providing some choices. Please do vote and

HAVE YOUR BALLOTS POSTMARKED BY DECEMBER 15, 1982
so that new officers can start the year on the run.
