**PRESIDENT'S ADDRESS**

Greetings everyone!

As we shift into autumn, I gladly report that during this quarter the New Mexico Archeological Council (NMAC) has been busy planning events, including the Annual Meeting and several workshops.

The NMAC 2024 Annual Meeting will be November 9th at the Hibben Center at the University of New Mexico. Further details on the upcoming fall conference are on Page 2. In addition to the speakers, there will be a general poster session. I encourage NMAC members to register and start thinking of poster presentation ideas. The poster session will also have prizes for students. We would like to thank the generous sponsors of our conference.

The workshop committee is hosting a workshop on the built environment in late October. Further information will be available soon.

Thank you all for your continued participation and support of NMAC! I look forward to meeting you all at upcoming archaeology events and the annual meeting in November.

Sincerely,

Heather Seltzer-Rogers, NMAC President

## **New Mexico Archeological Council 2024 Annual Meeting**

### *The Practice of Tribal Historic Preservation and NAGPRA*

November 9, 2024

Hibben Center for Archaeological Research  
University of New Mexico

The 2024 New Mexico Archeological Council (NMAC) Annual Meeting will take place at the Hibben Center for Archaeological Research of University of New Mexico on November 9, 2024. This year's theme is *The Practice of Tribal Historic Preservation and NAGPRA*. The goal of the meeting is to better illuminate to the attendees how tribes are engaging in the historic preservation field in the U.S. Southwest through a set of moderated discussion panels. The meeting will have two primary foci: (1) the role of Tribal Historic Preservation Offices in law and practice; and (2) the implementation of NAGPRA under the newly adopted regulations.

Please visit the website (<https://nmarchcouncil.org/events/annual-meeting/>) for registration details and the schedule as it gets closer to the day of the conference. There is also a virtual option available to participants.

### **Poster Session**

NMAC will host a poster session for the Annual Meeting. Posters will be on display in one of the classrooms in the Hibben Center throughout the meeting. This session provides NMAC members with the opportunity to present their research and ongoing CRM projects to their peers. We invite posters from a range of topics, which do not have to relate to the meeting's theme.

**Student participation in the poster session is highly encouraged through our student poster contest, with cash prize awards for the top three student posters.** For students, we will be giving away first, second, and third place cash prizes (1<sup>st</sup> place - \$250, 2<sup>nd</sup> place - \$100, 3<sup>rd</sup> place - \$50) associated with the poster session (in-person attendance required), so please encourage the students out there to participate!

Please email Michael Spears ([mspears6@gmail.com](mailto:mspears6@gmail.com)) by **October 11, 2024**, to secure your participation in the poster session. In your email, please include authors, title, and abstract (150 words or less) for the poster. If you are a student, please include proof (copy of your Student ID or something similar).

Thank you to our annual meeting sponsors!
